CHARITIES AND COMMUNITY WORK

In Year 12, the charities chosen were Tyrone Branch of Leukaemia Research receiving £2000 and Marie Curie receiving £1650. Activities to raise the £3650 included a Girls' "Boxercise", Quiz and Boys' Annual Soccer Tournament.

We take this opportunity to thank parents and other relatives for all generous support that they have given to the school's fundraising initiatives. Without such support we could do little to help those in need.

We would like to thank all our students for the part they played in enriching life in school and in the wider community.

We would also like to thank all members of staff, teaching and ancillary, for their dedication and hard work in organising the numerous extra-curricular activities for our students.

CHARITIES AND COMMUNITY WORK 2009

In their Lower Sixth year, the Charities Committee co-ordinated a number of fundraising initiatives within the school. *Help the Aged*, *Shoebox Appeal* and *St Vincent De Paul* all benefited from their efforts.

In addition to this several of the students participated in the Belfast Marathon and raised £3337 for *Children in Crossfire* Tanzanian project 2008. This money was used by CIC to fund educational and humanitarian projects in Tanzania, subsequently visited by year 14 students and members of staff in 2008.

Top fundraisers were:

Gemma Mason	£200
Lauren Toner	£169
Aodhan McHugh	£150

In Year 14, the students contributed a further £870 which was donated to the *Homeless People of Ireland* via the 4 Peaks Challenge.

Emma McDonald raised £116 for *Trocaire* while Ciara McCormack raised money for *Concern*.

We take this opportunity to thank parents and other relatives for all the generous support that they have given to the school's fundraising initiatives. Without such support we could do little to help those in need.

We would like to thank all our students for the part they played in enriching life in school and in the wider community.

We would also like to thank all members of staff, teaching and ancillary, for their dedication and hard work in organising the numerous extra-curricular activities for our students.
