**We take this opportunity to thank parents and other relatives for all the generous support that they have given to the school's fundraising initiatives. Without such support we could do little to help those in need.**

We would like to thank all our students for the part they played in enriching life in school and in the wider community.

We would also like to thank all members of staff, teaching and ancillary, for their dedication and hard work in organising the numerous extra-curricular activities for our students.

Niamh Mason

*These students were extremely effective and co-operative members of the School Council and proved to be an essential and important link between students and our school management team*

## **CHARITIES AND COMMUNITY WORK 2011**

In Year 13, the Charities Committee co-ordinated a number of fundraising initiatives within the school. *Help the Aged, Shoebox Appeal* and *St Vincent De Paul* all benefited from their efforts.

In Year 14, the students raised £2045 for the Concern Pakistan Flood Appeal.

Ryan Jones, Cathal O'Neill, Connor Quinn, Stephen Scullion together contributed approximately £10,000 of the total £33,038 raised to fund Friends of Africa projects in Zambia: to provide homes and medical care for street children and vulnerable widows as well as education and training for the very poor. They were also involved in an awareness raising initiative giving presentations to all KS3 students and within their own parishes

**We take this opportunity to thank parents and other relatives for all the generous support that they have given to the school's fundraising initiatives. Without such support we could do little to help those in need.**

We would like to thank all our students for the part they played in enriching life in school and in the wider community.

We would also like to thank all members of staff, teaching and ancillary, for their dedication and hard work in organising the numerous extra-curricular activities for our students.
