

## GCSE Preliminary Subject Choice Form

Name: \_\_\_\_\_

Class: \_\_\_\_\_

All Year 10 pupils will be required to choose at least **nine** GCSE subjects (**ten** if they are selected for Further Maths). Students will study the following **four compulsory** subjects:

- English Language
- English Literature
- Mathematics
- Religious Studies

Choose **five** subjects from the options listed below. **Please select your chosen subjects by numbering your choices 1-5 in order of preference.** Please also indicate a '6<sup>th</sup>' subject to act as a reserve should one of your initial choices not be available to you.

Subject	Indicate 1-6	Subject	Indicate 1-6
Art and Design		Business Studies	
Digital Technology Multi-Media (should <b>not</b> be chosen along with Programming)		Digital Technology Programming (should <b>not</b> be chosen along with Multi-Media)	
Drama		Engineering	
French		Food and Nutrition	
Geography		History	
Irish		Italian	
Journalism		Learning for Life and Work	
Media Studies		Music	
Physical Education		Science – Single Award (worth one GCSE – choose <b>4</b> other subjects)	
Science – Double Award (worth two GCSEs – choose <b>3</b> other subjects)		Science – Triple Award (worth three GCSEs – choose <b>2</b> other subjects)	
Spanish		Technology and Design	

- The school strongly recommends that all pupils choose both a science and a language option.
- Students wishing to study Digital Technology should choose either the Multi-Media **or** Programming option. They cannot select both.
- Students may be asked to make an alternative choice if numbers choosing a particular subject are already too large/small or if the subject is considered to be inappropriate for the pupil.
